

LUBE - A - BOOM®

"slick just got slicker"

Friction Reducing Lubricants The LUBE-A-BOOM® Family of Products

The Original LUBE-A-BOOM®

Our #1 Seller

Applications: Booms, pins, bearings, suspension

- A specially formulated synthetic lubricant containing Teflon*
- Outperforms conventional petroleum based greases
- Goes further and stays on longer
- Excellent performance in cold and hot weather
- Superior rust and corrosion protection
- Provides water and saltwater resistance

Available in:
14oz cartridges, 35# pails,
120# kegs, 400# drums,
15oz aerosol

LUBE-A-BOOM® DRY-FILM

Applications: Open gears, extendable hoe arms, extendable axles, outriggers, counterweights

- Forms a thin, quick drying film that provides long wearing lubrication and protection
- For high temperature applications where parts are exposed to continuous friction
- Formulation contains extreme pressure additives for heavy duty applications
- Repels dust and contaminants
- Excellent adherence properties

Available in
12oz aerosol

LUBE-A-BOOM® Rope

Applications: Wire ropes, cables, chains, gears

- Provides a thin film that contains extreme pressure additives for maximum lubrication and protection
- Clings on and keeps working long after the initial application
- Penetrates through dust, dirt and water, giving maximum wear resistance and rust protection
- Provides water and saltwater resistance
- Excellent adherence properties
- Non-toxic, protecting the user and environmentally friendly

Available in
16oz aerosol
